## Experience

### Creux Media

Project Development Manager/Founder

August 2020 - Present

- Provided freelance script coverage and development assistance to producer Mevlut Akkaya, as well as travel logistics coordination for film festival attendance.
- Currently developing visual content for the launch of a live radio series.
- Crafted and curated engaging online videos and brand-focused marketing content for The Wiggin Sessions, an economic forecasting and financial research podcast.

### Norris Realty Advisors

September 2023 - April 2024

Analyst, Appraisals & Consulting

- Conducted quantitative market research and analysis to assess the value of a variety of unique commercial properties.
- Acted as a primary point of contact for clients, demonstrating exceptional interpersonal and communication skills.
- Tailored communication styles to effectively engage with a diverse client base, including property owners, investors, and real estate professionals.

### SitusAMC

January - July 2023

Specialist I, Appraisals & Consulting

- Completed daily quantitative analysis of over nine hundred individual properties with a base total of \$83 billion, from initiation to completion of each yearly valuation.
- Operated on the support side of a multinational financial services company account, aiding appraisers in the yearly valuation process.
- Successfully conveyed progress updates through client-facing PowerPoint presentations.
- Consulted on 3rd party appraisal reports of multiple loans on a monthly basis totaling over \$1b

### The Gotham Group

Summer 2022

Scripted Development Intern

- Efficiently conducted high-volume book and script coverage, adapting my analyses to align with the company's specific preferences. Directly reported findings to CEO Ellen Goldsmith-Vein.
- Collaborated closely with the television department to conduct comprehensive research, contributing valuable insights for the development of potential series.

### Sonic Summer Documentary, 2021 Festival de Cannes

July 2021

Producers Assistant

- Acted as a production coordinator and facilitated shoots during festival programs i.e, Diversity in Cannes award ceremony
- Led a research group in preparation for celebrity interviews during the AMFAR Gala
- Scheduled and led interviews with major festival attendees and local businesses
- Designed impartial interview questions that remained unbiased while still fitting the overall theme of the documentary.

---
